Chairperson's Report – 2021

On behalf of the trustees, I am pleased to present the 33rd Annual Report for the West Coast Community Trust for the year ended 31 March 2021.

The trust granted \$209,822 to 68 organisations this financial year and the distribution list is available via our website www.wccomtrust.org.nz. The funding was split as WCCT \$114,994 (52 organisations) and DWC \$94,888 (16 organisations) with the minimum grant being \$575, and maximum grant \$9,335. The funds are spread over six sectors being Arts/Culture, Community Wellbeing, Education, Health, Sport/Recreation and Youth. The trust has two funding rounds per year – April and October and applications can be made via our on-line system via the Trust's website.

Despite COVID continuing to create uncertainty in the financial markets, the Trust's investments had a strong financial year, with investment returns of \$1,108,140 or 15.27%. This was significantly up on the previous year when COVID dragged investment markets down and with it our investment return. After withdrawing \$297,108 for operating expenses and distributions, the investment portfolio had a closing balance of \$8,276,291.

Given the fact the fixed interest rates continue to remain low for now and the foreseeable future Trustees in association with their investment advisors moved the investment portfolio from its traditional conservative strategy to a more balanced strategy with a greater emphasis on growth investments, namely domestic and international shares. This rebalance played a significant part in the very pleasing investment returns achieved. We maintain great confidence in our fund Managers, JBWere Ltd and our Investment advisor Bancorp Treasury Services Ltd and thank them for their diligent work during the year.

Over the years our trust has maintained a steady growth in its original investment with a capital base now of \$8.3m. The trust calculates that an amount of \$2.7m is required to be held as retained earnings to stabilise the original \$3m funds from inflation. The trust's current retained earnings are \$5.3m which leaves \$2.6m as growth of the trust in real terms. This is a significant increase from the previous years and gives us great confidence that in years where investment returns are lower, we will still be able to maintain our present level of grants without eroding our capital base.

Thanks again must go to Development West Coast for their continued support of the Trust. The extra \$30,000 of funding given to us last year provided additional grants support to the many needy organisations of the West Coast.

This year saw no new Trustees appointed by the Government. We are still awaiting the appointment of an additional Hokitika Trustee which we had nominated but at this stage has not been confirmed by the Minister.

Finally, I wish to personally thank our Grants Manager, Angela Keenan, for all help and assistance during my second year as Chairman. Her knowledge and experience in Trust matters is invaluable.

INDEPENDENT AUDITORS REPORT

To the Trustees of West Coast Community Trust

Opinion

We have audited the financial statements of West Coast Community Trust on pages 4 to 17, which comprise the statement of financial position as at 31 March 2021, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of West Coast Community Trust as at 31 March 2021, and its financial performance and its cash flows for the year then ended in accordance with Public Benefit Entity Standards Reduced Disclosure Regime issued by the New Zealand Accounting Standards Board.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the Financial Statements section of our report. We are independent of West Coast Community Trust in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, West Coast Community Trust.

Trustees Responsibility for the Financial Statements

The Trustees are responsible on behalf of the entity for the preparation and fair presentation of the financial statements in accordance with Tier 2 PBE, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible on behalf of the entity for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

Auditors Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements. The engagement partner on the audit resulting in this independent auditor's report is

NOTE: This Statement is to be read in conjunction with the accompanying Notes and the Audit Report

West Coast Community Trust

Statement of Accounting Policies

for the Year Ended 31 March 2021

Legal Status and Purpose

The West Coast Community Trust is an incorporated Charitable Trust under the Charitable Trusts Act 1957. It was formed on 30 May 1988 through the creation of a trust deed in compliance with the Community Trusts Act 1999. The Trust's original capital of \$3m came from the proceeds of the sale of Westland Bank Ltd.

The trusts purpose is to manage its investments and apply the income from these investments by way of grants for charitable, cultural, philanthropic, recreational and other purposes in Buller, Grey & Westland.

Basis of Preparation

These financial statements have been prepared in accordance with Tier 2 Public Benefit Entity Accounting Standards and disclosure concessions have been applied. The criteria under which an entity is eligible to report in accordance with Tier 2 Public Benefit Accounting Standards are that the Trust has no public accountability and the Trust is not a large entity.

The accounting principles recognised as appropriate for the measurement and reporting of the statement of comprehensive income and balance sheet on a historical cost basis are followed by the Trust, except that certain investments are disclosed at fair value.

Note 1 - Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of financial performance and the financial position have been applied:

(a) Revenue

Revenue is considered to be exchange revenue in accordance with Public Benefit Entity IPSAS 9. There is no non-exchange revenue.

Dividend revenue from investments is recognised when the Trust's rights to receive payment have been established. Interest income is recognised as interest accrues using the effective interest method.

(b) Income Tax

The Trust is exempt from income tax under section CW 52 of the Income Tax Act 2007. As a result, the only taxation the Trust pays is in relation to imputation credits and withholding payments from dividends and overseas earnings which are not eligible to be refunded.

(c) GST

The Trust is exempt from registration for Goods and Services Tax. These Financial Statements have therefore been prepared on a GST inclusive basis.

(d) Plant and equipment

Plant and equipment is stated at cost less accumulated depreciation and impairment

West Coast Community Trust

Statement of Accounting Policies

for the Year Ended 31 March 2021

(e) Depreciation

Depreciation is allocated over the useful life of the assets. Useful life is estimated as:

Office Equipment 2 - 25 years

The Trust has determined that depreciation rates published by Inland Revenue are appropriate for their use.

(f) Investments including investments in managed funds

Shares listed in companies and quoted fixed interest investments are designated as “financial assets at fair value through profit and loss” as the portfolios are managed on a fair value basis in accordance with a documented investment strategy. They are initially recorded at cost and subsequently revalued to bid price each balance date. Gains and losses are recorded in the Statement of Comprehensive Revenue and Expenses as part of the investment income.

(g) Financial instruments

Financial instruments are recognised if the Trust becomes a party to the contractual provisions of the instruments. Financial assets are initially measured at fair value plus transaction costs except for those classified as fair value through profit or loss which are initially measured at fair value. Financial assets are derecognised if the Trust’s right to the cash flows from the financial assets expire or if the Trust transfers a financial asset to another party without retaining control or substantially all risks and rewards of the asset. Regular purchases and sales of financial assets are accounted for at trade date. Financial liabilities are derecognised if the Trust’s obligations, specified in the contract, expire, are discharged or cancelled.

Investments at fair value through profit and loss

An instrument is classified at fair value through profit and loss if it is held for trading or is designated as such upon initial recognition. Financial instruments are designated at fair value through profit and loss if the Trust manages such investments and makes purchase and sale decisions based on their fair value. They are initially recorded at cost and subsequently revalued to market bid price each balance date. Upon initial recognition, attributable transaction costs are recognised in the Statement of Comprehensive Revenue and Expense when incurred. Subsequent to initial recognition, financial instruments at fair value and changes therein are recognised in the Statement of Comprehensive Income and Expense.

Cash and cash equivalents comprise cash balances and call deposits.

(h) Impairments

The carrying amount of the Trust’s assets is reviewed each balance date to determine whether there is any indication of impairment. If any such indication exists, the assets recoverable amount is estimated.

The estimated recoverable amount of any other assets is in the greater of the fair value, less costs to sell, and value in use. Value in use is determined by estimating future cash flows from the use and ultimate disposal of the asset and discounting these to present value, using a pre-tax discount rate that reflects current market rates and the risks specific to the asset. For an asset that does not generate largely independent cash flows, the recoverable amount is determined for the cash-generating unit to which the asset belongs.

Impairment losses are reversed when there is a change in the estimates used to determine the recoverable amount.

West Coast Community Trust Statement of Accounting Policies for the Year Ended 31 March 2021

(i) Operating leases

Operating lease payments, where the lessor effectively retains substantially all the risks and rewards of ownership of the leased items, are included in the determination of the net surplus in equal instalments over the lease term.

Grants

Grants are paid when approved by the Trustees, and grants are recognised as an expense when they are paid.

Changes in accounting policies

There have been no changes in accounting policies. All policies have been applied on bases consistent with those used in previous years.

Note 2 - Trustee Attendance – Meetings

Name of Trustee	Board Meetings		Meeting Fees	Meeting Fees
	Held	Attended	2021	2020
John Wood	4	4	3,840	2,585
Therese Gibbens	4	4	2,450	2,485
Adam Gilshnan	4	4	1,800	2,200
Barbara Holland	4	4	1,800	500
Natasha Goodwin	4	4	1,800	1,800
Brian Wilkinson	4	3	1,400	1,800
Glenn Irving	4	3	1,500	1,300
Ruth Vaega	4	2	900	1,400
Tim Mora	-	-	-	1,920
Rob Caldwell	-	-	-	900
Total remuneration paid in the year ended 31 March			\$15,490	\$16,890

Rates of remuneration are set by the Minister of Finance. The Trust has also insured all Trustees against liability to other parties that may arise from their position as Trustees, excluding liability for gross negligence or criminal actions.

Appointment and Retirement

There were no changes in Trustees during the period.

Note 3 Trust Funds

Although the Trust does not maintain an inflation reserve, it does seek to maintain the Trust capital in real terms. The Trust calculates that an amount of \$2,704,332 is required to be retained to stabilise the original \$3m fund from inflation. The Trust's current retained earnings is \$5,315,337 which leaves \$2,611,124 as the growth of the Trust in real terms.

West Coast Community Trust Statement of Accounting Policies for the Year Ended 31 March 2021

Note 4 Office Equipment

	2021	2020
	\$	\$
Opening balance at cost	6,466	6,466
Purchases	1,419	-
Disposals	-	-
Less accumulated depreciation	(6,939)	(6,466)
Net book Value	946	Nil
Depreciation charge for the year	473	Nil

Note 5 Investments designated as fair value through profit or loss

The value of investments which are held in equities and fixed interest are subject to market fluctuations. The total investment portfolio is diversified in a way such that over time reductions in value in particular asset classes should be more than offset by increases in other classes. Investments are disclosed at market value at balance date and any gains (losses) arising from that treatment are shown under Revenue in the Statement of Comprehensive Revenue & Expenses. No provision has been made for potential gains or losses that could occur due to future market fluctuations. The investment portfolio as at 31 March 2021 is diversified as follows:

	2021		2020	
	\$000	%	\$000	%
New Zealand Equities	698	8.4	501	6.9
New Zealand Fixed Interest	2,990	36.1	2,931	40.3
New Zealand Property	120	1.5	52	0.7
New Zealand Cash	1,880	22.7	1,862	25.6
Global Cash	152	1.8	120	1.6
Global Equities	2,436	29.5	1,816	24.9
TOTAL	\$8,276	100.0	\$7,282	100.0

Note 6 Financial instruments

Significant accounting policies

Details of significant accounting policies and methods adopted, including the criteria for recognition and the basis of measurement applied in respect of each of the class of financial assets, are disclosed in note 1 to the financial statements.

The Trustees have approved a Statement of Investment Policy and Objectives (SIPO) which establishes investment portfolio objectives and target asset allocation. Performance against these targets is reviewed at least quarterly by the Trustees and asset reallocations undertaken as required.

West Coast Community Trust

Statement of Accounting Policies

for the Year Ended 31 March 2021

Fair Value

The carrying amount of financial assets and financial liabilities recorded in the financial statements represents their respective fair values, determined in accordance with the Trust's accounting policies.

Liquidity risk

All financial assets at fair value through profit and loss can be realised with 12 months. There are no significant financial liabilities.

The Trust's Investments are managed to ensure that the Trust will have sufficient liquidity to meet expected cash flow requirements. Liquidity risk is managed through the Trust's asset allocation strategy, which provides exposure to both growth and income assets, and the benchmark portfolio against which the investment returns are monitored.

Credit risk

Financial instruments which potentially expose the Trust to credit risk consist of cash and short term deposits, fixed interest securities and receivables, and indirectly, investments in unitised products which invest in cash and fixed interest investments. The maximum exposure credit risk is the carrying value of these financial instruments.

The significant counterparties of the Trust are the investment manager: J B Were. The investments are held in trust by the investment manager for the benefit of the Trust. The manager operates within the policy approved by the Trustees.

Currency risk

The Trust is indirectly exposed to currency risk in that future currency movements will affect the valuation of investments in unitised products which invest in foreign currency denominated investments. Currency risk is managed by the investment manager through active hedging strategies.

Interest rate risk

The Trust is exposed to interest rate risk in that future interest rate movements will affect cash flows and net market values of fixed interest assets and, indirectly, the valuation of investments in unitised products which invest in cash and fixed interest investments.

Interest rate risk management activities are undertaken by the investment manager and the Trust's management in accordance with the investment mandate set by the Trustees.

Note 7 Contingent liabilities

There are no contingent liabilities as at 31 March 2021 (2020 Nil).

West Coast Community Trust

Statement of Accounting Policies

for the Year Ended 31 March 2021

Note 8 Commitments

Grants

There are no grant commitments as at 31 March 2021 (2020 Nil).

Capital commitments

There are no capital commitments as at 31 March 2021 (2020 Nil).

Note 9 Related party transactions

The Trust has a code of conduct and a register of interests in regard to related party transactions. The code of conduct requires Trustees and management to declare any interests in transactions that the Trust may undertake. The following grants were made in respect of related party transactions:

Trustee	Organisation Name	2021	2020
		\$	\$
John Wood	Kidsfirst Kindergarten Hokitika	1,750.00	-
John Wood	West Coast Wilderness Trail Trust	1,925.00	7,357.00

Natasha Goodwin	Okarito Community Association	2,600.00	-
John Wood	Karoro Kidsfirst Kindergarten	-	1,150.00

Note 10 Subsequent events

There were no material events subsequent to balance date.

Note 11 Covid-19

Covid-19 was declared a global health emergency on 31 January 2020 by the World Health Organisation and had a major impact on financial markets at that time. This impacted our investment earnings negatively in the 2019/20 Financial Year, but the market recovered in 2020/21 having a positive impact on our earnings for this year.
